

PCC-702

Premium Concrete Floor Cleaner

Easy-to-Use

Biodegradable

Fast Acting

High-Sudsing

Free Rinsing

Non-Caustic

PCC-702 is a powdered compound that effectively and efficiently removes grease and oil from concrete. Simply spread powder or solution of powder and water over the floor, scrub with a stiff brush, then hose or squeegee off.

PCC-702 contains an indicator dye to show the extent of coverage on the surface. It may be used in dry form after wetting the surface, or it may be mixed and then applied as a liquid solution. This is a free rinsing product that is easily removed with clean water.
