

This non-flammable product is fortified with P.T.F.E and has many other uses such as lubricating locks, hinges, moving parts, freeing nuts and bolts, stopping and preventing corrosion. This product saves production, maintenance and repair time. It is ideally suited for refrigeration equipment, automobiles, workshops, boats, etc. Contains no ozone depleters.

DIRECTIONS:

Keep actuator pointed toward dot on valve cup. Remove cap and point valve opening toward surface to be sprayed. Hold can 4-8 inches from surface and spray. Always hold can as upright as possible when using. Use extension tube provided for spraying in confined areas.

DANGER:

Contains gas under pressure; may explode if heated. Causes skin and serious eye irritation. May cause cancer. May cause drowsiness or dizziness. Suspected of causing genetic defects.

Keep away from heat, sparks, open flames, and hot surfaces. —No smoking. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Store in a well-ventilated place. Wash hands thoroughly after handling. Wear protective gloves, eye protection, and protective clothing. If on skin: Wash with plenty of water. If skin irritation occurs: Get medical attention. Take off contaminated clothing and wash before reuse. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. If swallowed: Immediately call a poison center or doctor. Do NOT induce vomiting. Store locked up. Dispose of contents and container in accordance with local, state, and national regulations. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. If exposed or concerned: Get medical attention. Avoid breathing fumes, mist, vapors, and spray. Use only outdoors or in a well-ventilated area. If inhaled: Remove person to fresh air and keep comfortable for breathing. Call a poison center or doctor if you feel unwell.

Warning: This product contains a chemical(s) known to the State of California to cause cancer.

CONTAINS (CAS#): Tetrachloroethylene (127-18-4), Petroleum Distillate (8052-41-3), Trichloroethylene (79-01-6), Mineral Oil (8042-47-5), Carbon Dioxide (124-38-9).
