

HD Truck Wash

Concentrated Vehicle Wash

Concentrated

Easy-To-Use

Biodegradable

Removes Dirt, Grime, Bugs and Road Film

HD Truck Wash removes dirt, grime, bugs and road film from heavy-duty equipment and vehicles such as bulldozers, tractors, garbage trucks, etc.

HD Truck Wash is a more aggressive product than typical truck washes and will clean vehicles that they cannot.

HD Truck Wash can be applied from 32 parts water to 1 part chemical to provide excellent cleaning. It can be diluted up to 64 parts water with 1 part chemical for light cleaning.
